COVID-19: Policyholder Resources

To help protect your organization, our team members and the public, EMC has suspended onsite loss control services; however, you can continue to *Count on EMC*® for a wealth of online resources, including resources related to COVID-19.

EMC is continuing to collect and distribute information from reputable sources to help you navigate the current COVID-19 health situation. This page will be updated as new information is released. You can also [subscribe to our loss control newsletters](#) to receive updates in your inbox.
