

60-Day Grace Period for Insurance Premium Payments

Reflecting the request by Insurance Commissioner Ricardo Lara and our commitment to doing what we can to help your customers during this challenging period, we are providing our insureds with at least a 60-day grace period to pay their insurance premiums.

Claims

Also, please be assured that our claims service continues as always—both in terms of accepting new claims and settling them. All efforts will be made to conduct virtual loss investigations and inspections using available technology and similar means.

If an onsite home inspection is absolutely necessary, our claims professionals will follow the CDC guidelines regarding “social distancing” or work with our customers on other solutions to protect their health and safety, and that of our employees.
