

Dear Broker,

I am emailing to follow up on an email that went out to our broker community this past Monday regarding a special fund that State Fund has set up to support essential workers and businesses during the COVID-19 crisis (see attached). The application for the Essential Business Support Fund is now available online at [COVID-19 Support](#). You may also access this application via the link at the top of our website at [www.statefundca.com](http://www.statefundca.com).

Please note that an email will go out to policyholders and brokers later today notifying them that this application is now available online, but I wanted to give you a head start as applications will be reviewed on a first-come, first-served basis and payments will discontinue when the fund is depleted.
