The PATH to **REOPEN SAFELY**

Helping your clients reopen begins with a safety plan that not only protects their employees and customers, but is flexible enough for future changes. That's why we developed the PATH Back to Business to provide you and your clients with the framework to resume operations. Watch Scott Humphrey, 2VP, Risk Control, outline the details.

WATCH VIDEO

Resuming Building Operations

It is important to build a team that represents your primary operations in the early stages of developing your reopening plan. This can help in establishing a consistent and coordinated approach. Share this information to help businesses reopen.

PATH to Reopen [Webinar]

Watch this on-demand webinar to see Travelers Risk Control professionals Joe David and Chris Hayes discuss how employers can cautiously and responsibly reopen their businesses while taking measures to stop or limit the spread of COVID-19.
